

## TANDAZA TRUST NEWS

*Keeping you updated...*

### ***We are Family....***

*It is often said that, 'family is not always blood, it's the people in your life who want you in theirs; the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what.'*

That is who we are, what we aspire to as the Tandaza Trust family, what you mean to us when you put a smile on our faces!

We appreciate you!!!!

**AUG/SEPT EDITION**

### **Nancy's story**

It is every girl's dream to one day grow up to become a great influence in the society. However, some of our paths are rockier than others, like that of 19 year old Nancy. Nancy is the last born in a family of four, born and raised in Dandora's Korogocho slums. Her mum left when she was two years old, a decision that was most likely influenced by her heavy drinking.

A Good Samaritan however found Nancy and was able to cater for her school fees until she finished primary school.

At some point, her brother took her under his wing after the good Samaritan was unable to pay her secondary school fees. After a year, the brother started mistreating her and eventually threw her out and forced her to live on the streets where she got entangled with gang

Nancy abused drugs like bhang and miraa as a means of seeking solace. Eventually, she met up with the street ministry team and has started her recovery journey at Tandaza Trust; rekindling her hopes of becoming a hairdresser as she follows in the foot steps of her sister Helen who has just finished the Tandaza Trust program.

## A VISIT FROM AUSTRALIAN FRIENDS

This August, we were blessed to have a team from Glenbrook Baptist Church visit the Tandaza Transformation Center in Kiserian and also engaged in street ministry at Mlango kubwa.

The awesome team had the privilege of interacting with the children, singing various action songs and playing with the kids– what an experience for the children and the team. We definitely felt special and loved. They shared some lovely goodies with us and left a lasting impact.

At the transformation center, our beneficiaries shared their life changing testimonies and recited various bible verses that they had memorized. They blessed the Australian team and handed out a hand made card to each of them.

Our guests loved upon the women with some lovely colorful scarves that signify the love of Christ around them and His embrace. This was a gesture beyond what words could express. The ladies enjoyed a time of pampering, games and a sumptuous meal together. Glenbrook Baptist Church,

## WALKING IN AUSTRALIA!!!!

The Australian Friends of Tandaza Association organized a walk in Australia to create awareness on the work Tandaza Trust is doing on the streets of Nairobi.

This marks the second year in a row where Australians and Kenyans have walked for Tandaza Trust!

God bless their efforts!
