Chairman's Report

It gives me a great deal of pleasure to again report on the activities of Australian Friends of Tandaza (AFoT) over the last 12 months.

The Association has further consolidated its financial position to the extent that funds will be released to Tandaza Trust Kenya in the coming months to further advance a number of projects which have been scheduled by the Trust to be undertaken following the acquisition of land in Isinya.

We are delighted that the Trust has reached this position and look forward to some very exciting things happening with the project. Especially, as the Trust continues to negotiate for the acquisition of further land to support the construction of a rehabilitation centre.

Closer to home we have undertaken a number of fund raising activities throughout the past 12 months which have been very well supported by our local supporters and members. Our annual walk for Tandaza saw a large turn-out of people and lots of conversations centred round our work and that of the Trust. Thank you for all those who made the effort to attend and those who supported us from further afield.

Our monthly market stall at Glenbrook continues to be popular and has proved to be an ongoing source of income for us. This together with our yearly BBQ at Bunnings means that we can continue to have confidence into the future about our work.

We have throughout the past year had the opportunity to engage with the community more broadly through a number of speaking engagements and are hopeful for many more throughout the next 12 months.

Over and above our direct involvement with Tandaza Trust in respect to the Isinya project we continue to receive very positive news and life changing stories about other projects on the ground in Kenya.

In conclusion I extend a very big thank you to all our supporters and especially to all our hard working committee members for the work they do and what they make possible. Without the support of each of you it would not be possible to do what we do.

Australian Friends of Tandaza Inc.

Financial Report

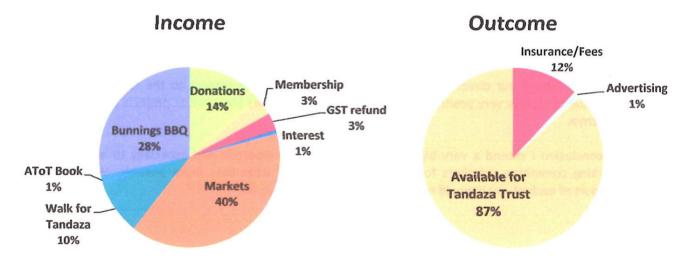

Overview:

The attached financial report for the Association was prepared for the financial year 1 July 2018 to 30 June 2019.

This is the fourth financial report for the Association. AFoT continues to build upon the lessons of past years' marketing efforts and look to new opportunities. Operations continued with the monthly Glenbrook markets, stalls at local shopping centres at Glenmore Park and Southlands, Kyper Christian School and the Annual Walk for Tandaza. An additional opportunity for a Bunnings BBQ at South Penrith, which also included a fundraising stall, was secured. Use of Square POS technology has assisted sales, inventory control and enabled easier record-keeping.

Funds raised during the year were held in trust in Term Deposits pending the resolution of the changed Tandaza Trust situation. Thankfully, the Trust was able to secure premises for their ongoing operation. This should enable the remittance of funds in FY2020 to further assist the important work and facilities of Tandaza Trust.

The charts below present a breakout of the received income elements and the disbursement of derived profit and operating costs.

Net surplus 2019 is \$7718.63.

Stock on hand is \$4489.90, includes 82 copies of 'A Taste of Tandaza' cookbook.

Bank balance of all accounts and operating cash is \$15894.16.
